

and it is time for the Senate Democrats to do their job.

They voted against a noncontroversial continuing resolution that fully funded the Children's Health Insurance Program for 6 years. This is perplexing because, for the past several months, nearly every Democrat has cited CHIP as one of their most important priorities—but, apparently, it is not more important than playing politics.

Senate Democrats who voted against providing healthcare to 9 million vulnerable children need to be held accountable.

The total number of children enrolled in the CHIP program in Pennsylvania in fiscal year 2016 was 342,268. That means that 12.8 percent of children in Pennsylvania are at risk of losing healthcare because of Senate Democrats playing partisan politics.

Putting politics before the well-being of kids living in poverty and financially distressed homes is flat-out wrong. I urge my colleagues on both sides of the aisle to call on the Senators who have been blocking funding the Children's Health Insurance Program to open the Federal Government.

Mr. Speaker, nobody benefits from the politics of a government shutdown, and millions of children are being hurt.

SHARING IN THE FRUSTRATION OF THE AMERICAN PUBLIC

(Mr. BLUMENAUER asked and was given permission to address the House for 1 minute.)

Mr. BLUMENAUER. Mr. Speaker, I share the frustration of the American public who overwhelmingly support protecting young DREAMers, authorizing the Children's Health Program and the community health centers that serve them, and funding government long term, not week to week.

Part of the solution is obvious: Donald Trump should not be in the negotiations, in part, because he doesn't understand the complexities. Indeed, it appears he doesn't even understand the basics. He frequently changes his mind, agreeing with what he last saw on FOX News or heard from the last person he talked to.

The weekend news was filled with accounts of his confusion and how destructive his participation has been, acknowledged by Republicans and Democrats alike, even frustrating his own staff.

Maybe it is time to just ignore Donald Trump and his tweets, send him lots of cheeseburgers, and keep this news off FOX. Without Trump's participation, we will reach a better solution, and we will do it faster.

SOUTH CAROLINA NATIONAL GUARD DESERVES BETTER

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, this weekend, South Caro-

linians saw the damaging impacts of the Schumer shutdown: 2,200 service-members in the South Carolina National Guard who had drill scheduled were forced to go home after driving across the State from all over the Southeast. I know firsthand of the disruption, as a Guard veteran myself and grateful dad of three sons who have served in the Guard overseas.

Additionally, 70 soldiers who were operating on Active Duty Operational Support orders had their orders terminated and will no longer have insurance or income as of today. Approximately 750 Federal technicians who handle mechanics for the South Carolina National Guard will be laid off today.

This is not only devastating to families, it will negatively impact the readiness of our forces, which I recognize as chairman of the Readiness Subcommittee. The Guard has 80 soldiers who were planning to attend necessary training this weekend, but those drills have been canceled, resulting in soldiers not being qualified or eligible for promotion due to missing training.

This serves as a sad example of just the impact on the South Carolina Guard members. Senate Democrats need to stop holding military funding hostage.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

FIND COMMON GROUND AND END GRIDLOCK

(Mr. O'HALLERAN asked and was given permission to address the House for 1 minute.)

Mr. O'HALLERAN. Mr. Speaker, on the third day of this reckless government shutdown, I rise to urge my colleagues on both sides of the aisle to find common ground and end this gridlock.

Families in Arizona and America are hurting. It is past time for Congress to come together to boost our military. We must reauthorize funding for the Children's Health Insurance Program, community health centers, and the Special Diabetes Program for Tribal communities, and many others.

Mr. Speaker, we can't go back to business as usual and continue to fund our military a few weeks at a time. Secretary Mattis and our military leaders have been clear about the dire impacts of continuing resolutions on our national security time and time again throughout this year.

We are facing increasing global threats. We cannot undermine our defense leaders and our troops by refusing to work together. We are here to solve problems. For our brave service-members and families across our communities, let's get the job done.

WE NEED TO KEEP THE GOVERNMENT OPEN

(Mr. ROKITA asked and was given permission to address the House for 1 minute.)

Mr. ROKITA. Mr. Speaker, we have done our job. President Trump is doing his. The House has passed a spending bill that keeps our government open, funds our military, and helps protect healthcare for millions of low-income children, but Senate Democrats only want to obstruct President Trump. They are opposed to a bill that has everything in it that they are not opposed to, but they hold out for more.

Why?

Because they are putting amnesty for illegal immigrants above law-abiding citizens. This is unacceptable.

They are putting amnesty for illegal immigrants ahead of healthcare for low-income children.

They are putting amnesty for illegal immigrants ahead of funding our military.

They won't allow anything that includes President Trump's wall.

This is inexcusable. We need border security. We need to keep our government open. We need to fund our military. And we need to provide healthcare for millions of low-income children.

This is not a complicated matter, and voters should hold Democrats in the House and Senate responsible.

SHUTDOWN IS UNNECESSARY CRISIS

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Mr. Speaker, this shutdown is an unnecessary, self-created crisis driven by an unwillingness to compromise. The American people deserve better.

There are bipartisan solutions available, solutions that responsibly fund our government and address the urgent priorities, from children's health and community healthcare centers, to DREAMers, to disaster relief.

I have been meeting with Members on both sides of the aisle, including the Problem Solvers Caucus, and I know there is a real willingness to get this done. What we need is congressional leadership and a President willing to negotiate and allow a vote.

We are almost 4 months into the fiscal year with no budget. We passed three continuing resolutions since September, but we cannot continue with these endless short-term patches. They are irresponsible, hurt our Nation, and hamper our military's ability to plan for the future. The Navy's Secretary likened it to putting \$4 billion in a trash can, pouring lighter fluid on it, and setting it on fire.

The clock is ticking. The last shutdown in 2013 cost our economy \$24 billion. This won't be resolved by one side going it alone. Let's end the political games, stop the finger-pointing, and do the work the American people sent us here to do.

Mr. Speaker, I ask unanimous consent to bring up H.R. 4872, the End the
